

BURNDOWN CHART

Team ID	PNT2022TMID38341
Project Title	A Novel based Handwritten Digit Recognition System

BURNDOWN CHART

A burndown chart shows the amount of work that has been completed in an epic or sprint, and the total work remaining. Burndown charts are used to predict your team's likelihood of completing their work in the time available. They're also great for keeping the team aware of any scope creep that occurs.
